

Penthouse to reform with views for sale in Galvany, Barcelona

Ref: CM1047

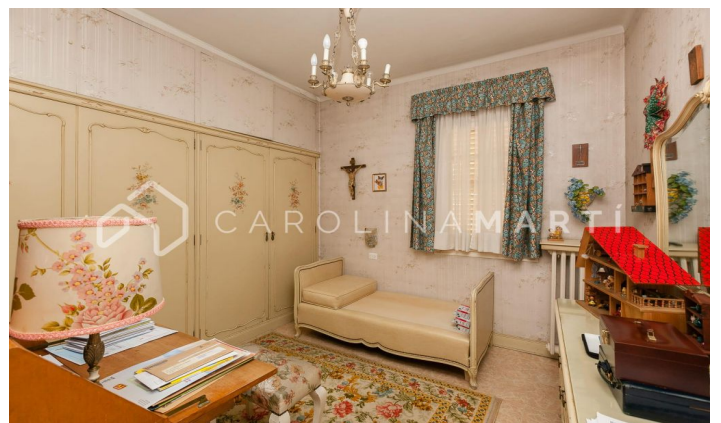

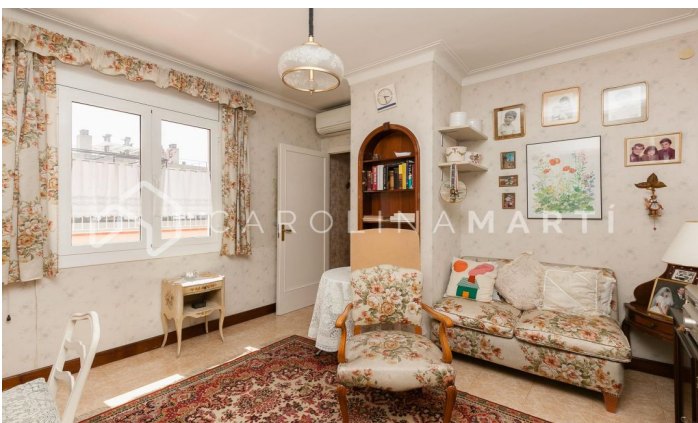

Galvany / Barcelona

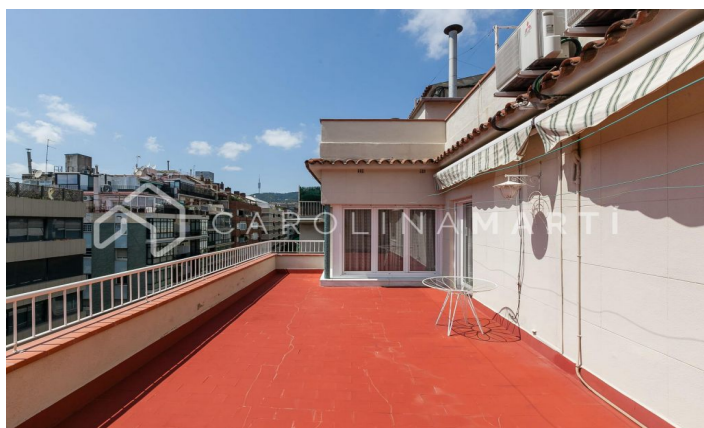

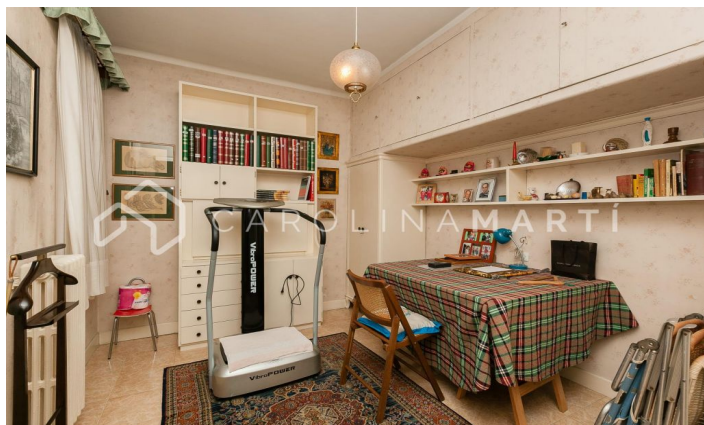

Carolina Martí presents this penthouse to reform with views for sale, located in the Galvany area, Barcelona. This classic penthouse has a total area of 175 m², which is very well used. Inside the house we find a total of four bedrooms, and two bathrooms (both with a shower, but only one with a bathtub included). The house is completely exterior to three winds and widely sunny. The penthouse has a terrace of approximately 60 m², and is very sunny during the day. The living-dining room maintains a renovated classic style, and has plenty of natural light from the terrace. The attic is a real sixth floor, and inside there is only one height. The house has fitted wardrobes in the bedrooms, and there are views of the sea and the mountains. There is the option of acquiring a parking space right next to the farm, price not included in the price. It offers many possibilities for reform since the house is very well distributed. Call us to visit the flat.
