

Three-bedroom penthouse for sale next to Ciutadella Park

Ref: CM1679

El Born / Barcelona

Carolina Martí presents this three-bedroom, three-bathroom penthouse, two of the bathrooms being en suite, located in a distinguished period building next to Parc de la Ciutadella. The property features a serene Mediterranean-inspired interior, defined by high-quality materials, natural tones and carefully integrated lighting. The walls and ceilings, finished with decorative mineral-effect stucco, create a seamless envelope that brings harmony throughout the home. A project with class, designed with meticulous attention to detail. The living area includes an open-plan kitchen with a peninsula, a Taj Mahal marble worktop, integrated appliances and a telescopic downdraft extractor. It also features a breakfast cabinet with retractable doors, designed to keep small appliances connected yet hidden from view when not in use. Hungarian point oak flooring adds warmth throughout the interiors. All three bedrooms include fitted wardrobes, while the bathrooms combine microcement, Carrara-style marble, brushed gold fittings and bespoke cabinetry. The property is dual-aspect and offers two outdoor spaces: a southeast-facing gallery overlooking the Born Market and a northwest-facing terrace with open views across the city. Both preserve original architectural features of t...
