

Architect-designed villa for sale on Pere Berruguete Street

Ref: CM1668

Esplugues de Llobregat

Carolina Martí presents one of the most exclusive and unique properties in Ciudad Diagonal, an extraordinary architect-designed villa by the renowned German architect Johannes K. Wortmann, an international benchmark in contemporary residential architecture. Set on a private plot of 1,037 sqm and offering approximately 960 sqm of built area, this spectacular residence stands out for its seamless integration of architecture, landscape, and wellbeing. Conceived as a true architectural masterpiece, the property forms part of the acclaimed Semíramis project, a work that has been widely published and recognized for its innovative spatial concept and its exceptional connection between indoor and outdoor living. The property is distributed over four floors connected by a lift and offers generous living spaces designed to maximize natural light, privacy, and comfort. Its 7 bedrooms, together with expansive reception and living areas, make it perfectly suited both for family living and for a lifestyle focused on entertaining and hosting. Floor-to-ceiling windows, impressive double-height ceilings, and the fluidity of the interiors create an elegant and contemporary atmosphere, where every room maintains a constant connection with the gardens and outdoor spaces.
