

Newly renovated penthouse for sale in Turó Park, Barcelona

Ref: CM1192

Galvany / Barcelona

Carolina Martí presents this newly renovated penthouse for sale, located in Turó Park, Barcelona. It is located in front of the Parque del Turó, with panoramic views of the city and the mountains. The penthouse has a total area of approximately 254 m² built. The interior of the property is divided into four double bedrooms, one of which is a suite with a dressing room, bathroom, additional living room with fireplace and access to the terrace. In addition, the penthouse has another two full bathrooms and a courtesy toilet. It has a large living-dining room with high ceilings with access to a 30 m² terrace and unobstructed views. Next to the living room is the designer kitchen, which is large and spacious. The penthouse is completely renovated, in perfect condition. It has gas heating underfloor heating and air conditioning throughout the house. Motorized blinds. Unique opportunity to acquire a penthouse in Turó Park. The classic building was constructed in 1955 by the renowned architect Mitjans, with a main elevator and another forklift. Concierge service included and optional parking. Call us to visit the penthouse.
