

Renovated luxury apartment with views of Turó Park.

Ref: CM1307

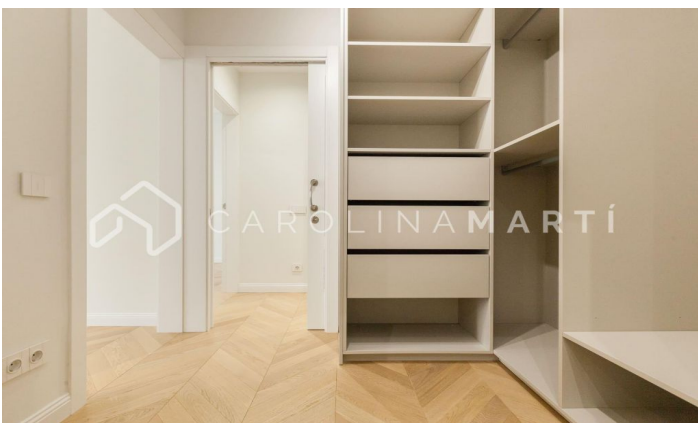

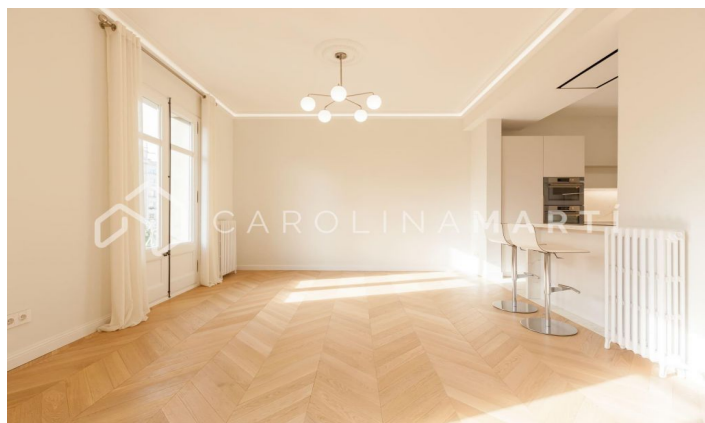

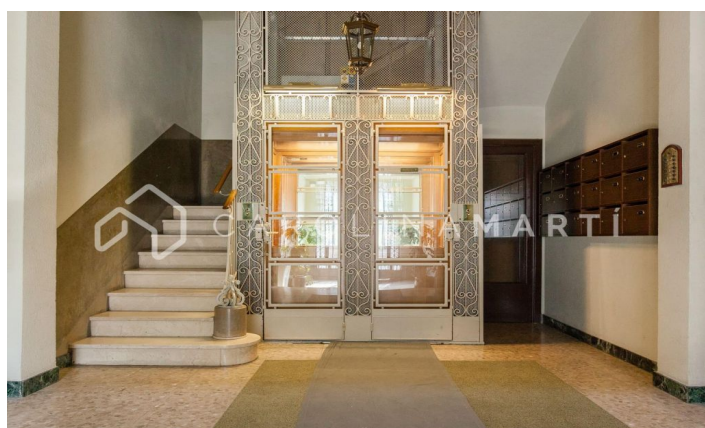

Galvany / Barcelona

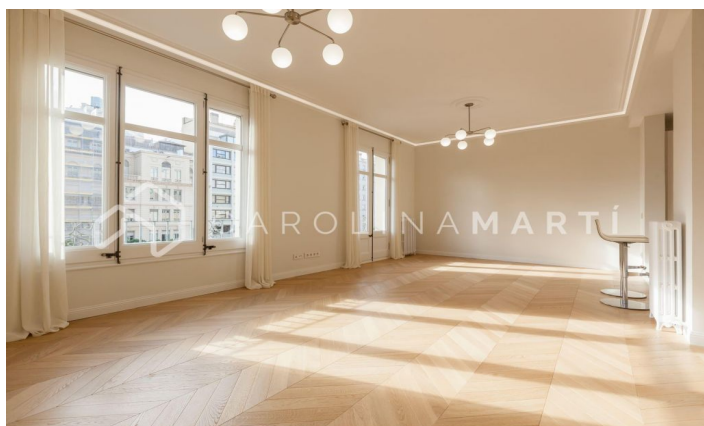

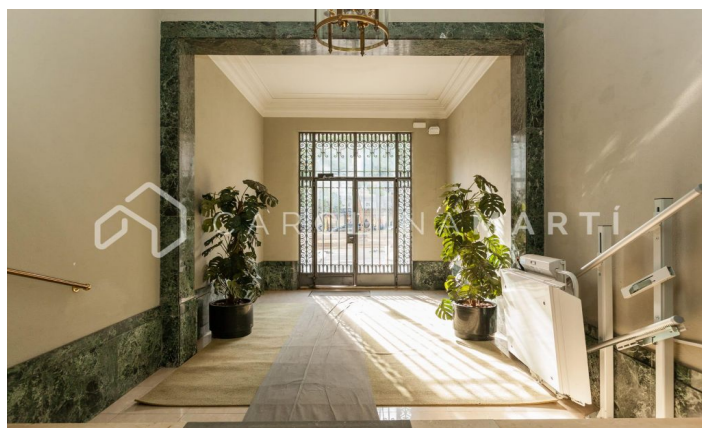

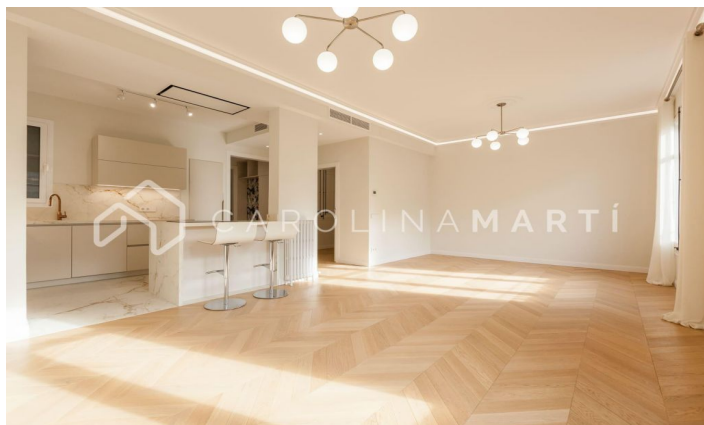

Carolina Martí presents this beautiful renovated luxury apartment with views of Turó Park. Brand new, with high-end finishes (Armani faucets, Hungarian point parquet, hot-cold ducts...) in a stately building with a concierge, we find this 160m2 apartment divided into a night area and a day area. The spacious living room and open kitchen face the Pau Casals Avenue, with an office and a courtesy toilet, 3 bedrooms in the night area, and 3 bathrooms. Large exterior master suite with dressing room and private bathroom. The property is extremely bright in both areas, with morning light in the bedrooms and midday-afternoon light in the living room. It is a real 4th floor in height and has double-glazed windows that ensure total tranquility. Respecting the classic ceiling moldings and period radiators, it is a renovation with neutral tones adapted to modern times. The location is ideal, on the emblematic Pau Casals Avenue, with all kinds of establishments and entertainment in the surroundings. Feel free to contact us to schedule a visit!
