

Flat with terrace for rent in La Bonanova, Barcelona

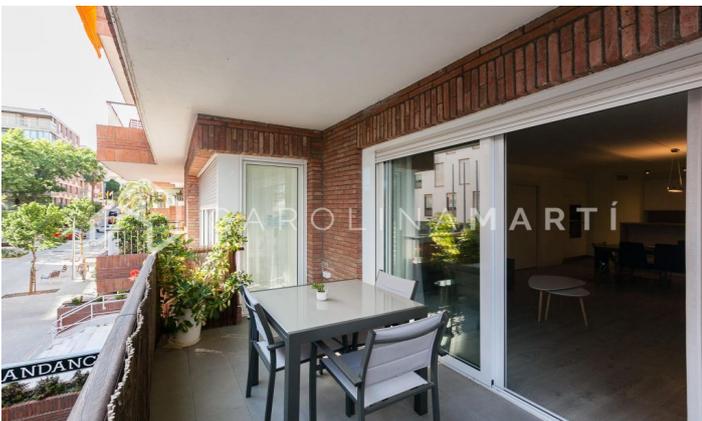

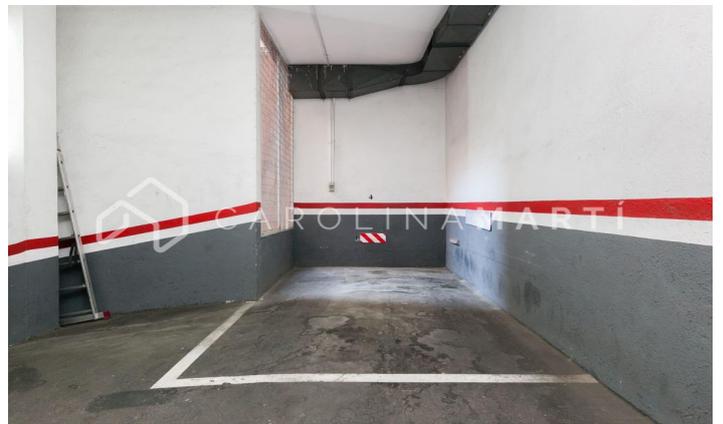

Ref: CM1022

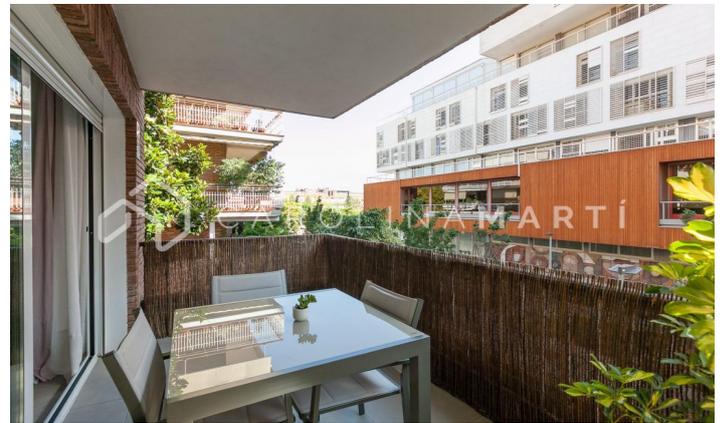

**La Bonanova / Barcelona**

Carolina Martí presents this flat with a terrace for rent, located in La Bonanova, Barcelona. Next to the Doctor Roig Raventós Gardens, we find this 125 m2 flat. The distribution of the property is given in four rooms, one of them being a 'suite', another two double bedrooms, and another single. In total there are two bathrooms, a private laundry area and a large living-dining room with a semi-integrated kitchen. Built in 2016, we highlight this property for its perfect condition and a terrace that allows tables and chairs to be installed given its large capacity. In the same building, a parking space and a concierge service are included every week. The flat is a few meters from the Teknon Medical Center, a private medical center in Barcelona founded in 1994 and recognized for its beautiful landscape. Call us to visit the flat.
