

New luxury room for sale in Poblenou

Ref: CM1366

Sant Martí / Barcelona

The award-winning Antares building, Barcelona's new luxury skyscraper. A unique opportunity to own a luxury apartment in this emblematic building built in 2022. Located in the DIAGONAL MAR-Poblenou area. With all kinds of state-of-the-art amenities: outdoor-indoor pool, gym, paddle-tennis court, spa, wellness-fitness center, restaurant, common areas, garden, 24/7 concierge. In addition, the apartment has a parking space and a large storage room. A 3-minute walk from the sea, the views from the rooftop pool recreate an absolutely exclusive Barcelona 'Ibiza' style feel. The apartment, completely exterior, has 2 suites with built-in wardrobes, 2 complete bathrooms with bathtub and shower, a large 50m2 living-dining room with an open kitchen and a large 22m2 terrace accessible from the 3 rooms. Luxury finishes predominate in the apartment: kitchen equipped with Miele appliances, integrated, ceramic bathrooms... The outdoor infinity pool is located on the 'sky terrace', 100m above with spectacular 360° views of Barcelona and the Mediterranean sea. The gym has a surface of 1,000 m2, yoga pod, spa, private cinema, golf simulator... Get in touch immediately to not miss out on this exceptional opportunity.
