

Brand new house for sale with panoramic views in Barcelona

Ref: CM1621

Sarrià / Barcelona

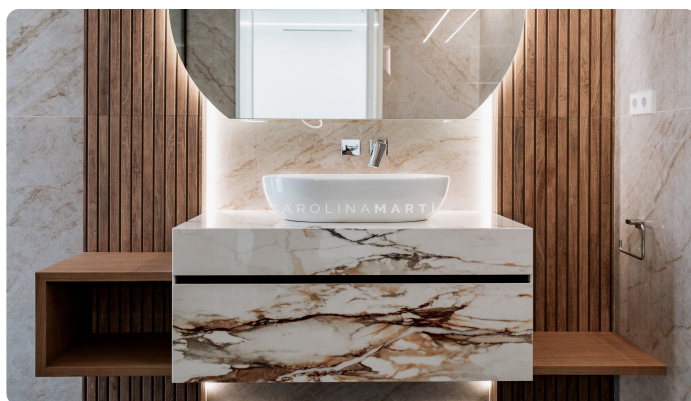

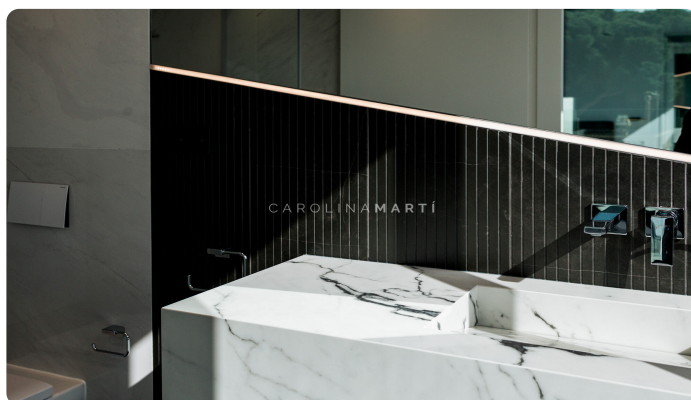

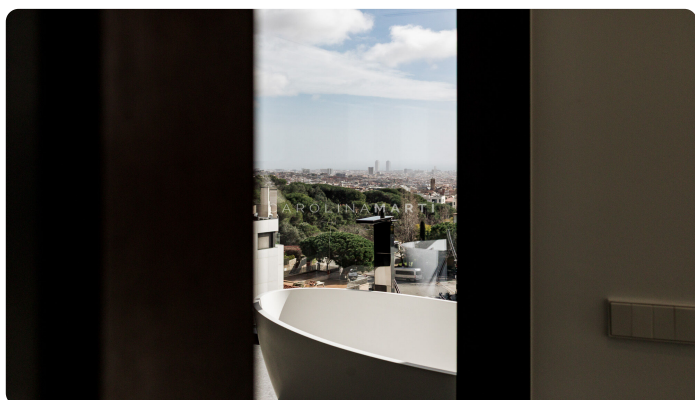

Discover this spectacular newly built home (2025), offering 710m² of built area, designed to provide maximum comfort and privacy in a privileged setting. From every floor, you will enjoy stunning open views of the Mediterranean Sea, the entire city of Barcelona and the surrounding mountains. The property features 6 spacious bedrooms and 7 elegant bathrooms, as well as an independent staff room. Each space has been conceived with high-end finishes and a layout that combines functionality and sophistication. In the outdoor area, a heated saltwater infinity pool becomes the perfect setting to relax while admiring the horizon. The wellness area is completed with a private sauna and versatile spaces that can be adapted as a home cinema, gym or entertainment room. The home is fully automated, equipped with a lift connecting all floors and an advanced home automation system controlling lighting, electric blinds, climate control and security. It includes integrated cameras and sensors ensuring maximum privacy. Sustainability and energy efficiency take centre stage thanks to 16 large-format solar panels, advanced water filtration systems and electric vehicle charging points in the private street-level garage with capacity for 6 cars. The kitchen features high-end Miele app...
